DEBBIE CHRISTOFFERSON, CISSP, CISM

As a leader and expert in IT security management, Ms. Christofferson supported the startup and evolution of security over a 14-year period, across the US, Europe and Greater Asia. With an added advantage of 20 years Fortune 500 management experience, she understands the nuts and bolts of security as it applies to business. She can help you identify and reduce any significant security risks impacting your own organization. We will help you leverage your resources and build a strategy guaranteed to get the results you need.

Debbie serves on the local boards of the Information Systems Security Association, Alliance of Technology and Women, and the National Speakers Association.

Debbie has co-authored two books:

"Real World Management Strategies That Work"

"Real World Career Strategies That Work"

IS YOUR ORGANIZATION'S SECURITY ACHIEVING THE RESULTS YOU NEED?
